

MODERNIZATION OF COSMETICS REGULATION ACT (MOCRA)

Are you ready for MoCRA?

On December 29, 2022, President Biden signed into law the Modernization of Cosmetics Regulation Act of 2022 (MoCRA). This legislation is the **first major update** to the U.S. Food and Drug Administration's (FDA) authority over cosmetic products since 1938. By the end of 2023, MoCRA comes into force.

MoCRA imposes several **new requirements**:

- Product and facilities registration
- The introduction of good manufacturing practices (GMP) for facilities
- Safety testing and serious adverse event documentation
- Labeling changes
- Additional regulations for products containing talc
- Further investigation into the safety of PFAS in cosmetics

Our Services

Chimar is your **one-stop-shop solution** providing consulting services to the cosmetic industry with dedicated team of **Regulatory Affairs & Toxicologists**.

Contact us for support on:
